Official domain directory

credicorp.net · published 11 July 2026

Every domain the group operates, with its role. Domains not on this list are not the group.

Domain	Role
credicorp.co.uk	Operating lender. Applications, customer sign-in and account servicing. The only estate domain that handles lending.
creditcorp.co.uk	Brand site. Front door for the Creditcorp brand name and a mirror of the lender's public pages.
creditcorpgroup.co.uk	Corporate record. The deep record: both companies, both trade marks, regulation and group legal detail.
creditcorponline.co.uk	Routing directory. A plain directory that helps people find the right group site.
creditcorporation.co.uk	UK corporate directory. Company records, trade marks and official domains in register form.
creditcorporation.org	Group reference. The reference library for the whole estate, built for due-diligence work.
creditcorporation.net	Verification desk. Checks a domain or email sender against the official register.
credicorp.net	Global signpost. Disambiguation for the Credicorp spelling, including unrelated companies elsewhere in the world.
credicorp.com.au	Australia. Public face of Credicorp Pty Limited, the group's related Australian company.

The register is exhaustive. A domain not listed above is not operated by the group.

This note restates facts published by the estate and can be checked against the live pages and the primary registers at any time. It contains nothing confidential.
